## Aims:

To establish a famous international journal on energy storage and saving.

## The mission of ENSS is to

advance research in fundamental studies and their application in broad fields, including thermodynamic, chemistry, biology, electromechanics, magnetics, economics, etc.

## Scopes:

Energy (ENER)

Engineering (ENGI)

Chemical Engineering (CENG)

Chemistry (CHEM)

Environmental Science (ENVI)

Materials Sciences (MATE)

Econometrics and Finance (ECON)

## Foundations:

Energy Sub-Alliance of University Alliance of the Silk Road (ESA-UASR)

International Joint Research Lab of Thermal Science and Engineering  
(Supported by MOE of China)

International Joint Research Centre for Heat and Mass Transfer in Energy and Environment  
(Supported by MOST of China)

# Agenda

会 / 议 / 议 / 程

**Chair/主持人:** Prof. Wenquan Tao, Honorary Editor-in-Chief of ENSS  
ENSS荣誉主编陶文铨教授
